

EDUCATION

American Technologies, Inc. (ATI) provides a wide range of Disaster Recovery Services to public and private Education clients including universities, colleges; elementary, middle and high schools; and school districts. The safety of faculty and students is the first priority of each project. ATI works quickly and discreetly to assess the situation and isolate the damaged area to minimize disruption to the learning environment. We maintain all relevant licenses and certifications required to perform disaster recovery services for our Education clients.

CATASTROPHES

We provide comprehensive nationwide disaster recovery services and large loss mobilization that mitigate damages caused by natural and man-made disasters, including:

- Floods
- Structure fires and wildfires
- Hurricanes and tornadoes
- Hail, snow and ice storms
- Earthquakes
- Mudslides

SERVICES

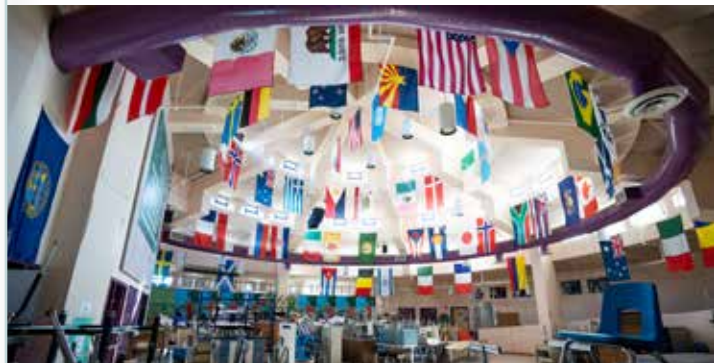

We self-perform the vast majority of the trades associated with disaster recovery and the mitigation of environmental hazards. Our full-service approach enables us to fully restore structures and their contents.

- 24-hour disaster recovery
- Water damage mitigation
- Fire and smoke damage mitigation
- Mold remediation
- Asbestos and lead abatement
- Biohazard and contagious disease decontamination
- Demolition and debris removal
- Reconstruction (large and small scale)
- Contents cleaning and restoration
- Board-ups
- Documents restoration
- Electronics/machinery restoration
- HVAC system and duct cleaning
- Sewage cleanup and restoration
- Vandalism cleanup and restoration
- Odor control
- Temperature and humidity control

- Emergency power supply
- Disaster preparedness assessments and training
- Contingency planning through Emergency Response Agreements

TOP INDUSTRY TALENT

ATI has a team of trustworthy and tenured experts in their specialized fields. Drug testing and comprehensive background checks are critical parts of the hiring process.

THE NATION'S LARGEST FAMILY-OWNED DISASTER RECOVERY FIRM

ATI combines the agility and personal touch of a family-owned company with the reach and capabilities of an industry leader. Founder and CEO, Gary Moore, has instilled a corporate culture of respect for the human story behind every disaster. Approaching each job with compassion translates to unparalleled customer focus and support during life's most stressful events.
