

## **American Technologies, Inc.**

(ATI) provides a wide range of Disaster Recovery Services to our Department of Defense and Federal Civilian clients. We are honored to serve all branches of the military and to support the brave men and women of the U.S. Armed Forces. We are also proud to collaborate with our nation's top Federal contractors. ATI has completed more than 2,000 projects on behalf of our Government clients with stellar performance evaluations.

# FEDERAL GOVERNMENT

## CATASTROPHES

We provide comprehensive nationwide disaster recovery services and large loss mobilization that mitigate damages caused by natural and man-made disasters, including:

- Floods
- Structure fires and wildfires
- Hurricanes and tornadoes
- Hail, snow and ice storms
- Earthquakes
- Mudslides

## SERVICES

We self-perform the vast majority of the trades associated with disaster recovery and the mitigation of environmental hazards. Our full-service approach enables us to fully restore structures and their contents.

- 24-hour disaster recovery
- Water damage mitigation
- Fire and smoke damage mitigation
- Mold remediation
- Asbestos and lead abatement\*
- Biohazard and contagious disease decontamination
- Chemical spills
- Odor control
- ICRA/PCRA construction/isolation barriers
- Dry-down
- Board-ups
- Temperature and humidity control
- Contents cleaning and restoration
- Documents and collections restoration
- Electronics/machinery restoration
- HVAC system and duct cleaning
- Demolition\*

- Debris removal
- Reconstruction (large and small scale)\*
- Emergency power supply
