

# RESIDENTIAL

**American Technologies, Inc.** (ATI) provides a wide range of Disaster Recovery Services to Residential clients from large losses, such as fires and flooding, to everyday mishaps, such as toilet overflow. ATI works quickly to assess the situation, isolate the damaged area and resolve the issue to minimize interruption. Our teams are trained to communicate with precision and sensitivity. We also work alongside insurance carriers to file claims, saving clients time and frustration.

## CATASTROPHES

We provide comprehensive nationwide disaster recovery services and large loss mobilization that mitigate damages caused by natural and man-made disasters, including:

- Floods
- Structure fires and wildfires
- Hurricanes and tornadoes
- Hail, snow and ice storms
- Earthquakes
- Mudslides

## SERVICES

We self-perform the vast majority of the trades associated with disaster recovery and the mitigation of environmental hazards. Our full-service approach enables us to fully restore structures and their contents.

- 24-hour disaster recovery
- Water damage mitigation
- Fire and smoke damage mitigation
- Mold remediation
- Asbestos and lead abatement
- Biohazard and contagious disease decontamination
- Demolition and debris removal
- Reconstruction (large and small scale)
- Contents cleaning and restoration
- Board-ups
- Documents restoration
- Electronics/machinery restoration
- HVAC system and duct cleaning
- Sewage cleanup and restoration
- Vandalism cleanup and restoration
- Odor control
- Temperature and humidity control

- Emergency power supply
- Disaster preparedness assessments and training
- Contingency planning through Emergency Response Agreements

## TOP INDUSTRY TALENT

ATI has a team of trustworthy and tenured experts in their specialized fields. Drug testing and comprehensive background checks are critical parts of the hiring process.

# THE NATION'S LARGEST FAMILY-OWNED DISASTER RECOVERY FIRM

ATI combines the agility and personal touch of a family-owned company with the reach and capabilities of an industry leader. Founder and CEO, Gary Moore, has instilled a corporate culture of respect for the human story behind every disaster. Approaching each job with compassion translates to unparalleled customer focus and support during life's most stressful events.
